Website Cookies Policy

We use cookies on our website. By using our website you agree to this Policy and you consent to our use of cookies in accordance with the terms of this Policy.

About Cookies

A cookie is a small file which asks permission to be placed on your computer's hard drive. Once you agree, the file is added and the cookie helps analyse web traffic or lets you know when you visit a particular site. Cookies allow web applications to respond to you as an individual. The web application can tailor its operations to your needs, likes and dislikes by gathering and remembering information about your preferences.

There are two main kinds of cookies: "session" cookies and "persistent" cookies. Session cookies only last for the duration of users using the website and are deleted from your computer when you close your browser, whereas persistent cookies outlast user sessions and remain stored on your computer until deleted, or until they reach their expiry date.

Cookies on this Website

We use both Session Cookies and Persistent Cookies on this website.

We use cookies for the following purposes:

- to recognise your computer when you visit our website;
- to improve the website's usability;
- to administer this website.

Generally, we use cookies to help us administer this website, to improve the website's usability and for marketing purposes. We may also use cookies to identify which pages are being used. This helps us analyse data about web page traffic and improve our website in order to tailor it to customer needs. We only use this information for statistical analysis purposes and then the data is removed from the system.

Overall, cookies help us provide you with a better website, by enabling us to monitor which pages you find useful and which you do not.

Cookies do not contain any information that personally identifies you, a cookie in no way gives us access to your computer or any information about you.

We are committed to ensuring that your information is secure. In order to prevent unauthorised access or disclosure we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect online.

You can choose to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. This may prevent you from taking full advantage of the website.

Third Party Cookies

We do not use third party cookies

Most browsers allow you to reject all cookies, whilst some browsers allow you to reject just third party cookies.

Blocking cookies

Most browsers allow you to refuse to accept cookies. For example:

- in Internet Explorer you can refuse all cookies by clicking "Tools", "Internet Options", "Privacy", and selecting "Block all cookies" using the sliding selector
- in Firefox you can block all cookies by clicking "Tools", "Options", and un-checking "Accept cookies from sites" in the "Privacy" box.
- in Chrome, you can block all cookies by accessing the "Customise and control" menu, and clicking "Settings", "Show advanced settings" and "Content settings", and then selecting "Block sites from setting any data" under the "Cookies" heading.

Blocking all cookies will, however, have a negative impact upon the usability of many websites. If you block cookies, you will not be able to use the quote forms on this website.

Deleting cookies

You can also delete cookies already stored on your computer:

- in Internet Explorer, you must manually delete cookie files;

- in Firefox, you can delete cookies by, first ensuring that cookies are to be deleted when you "clear private data" (this setting can be changed by clicking "Tools", "Options" and "Settings" in the "Private Data" box) and then clicking "Clear private data" in the "Tools" menu.
- in Chrome, you can delete all cookies by accessing the "Customise and control" menu, and clicking "Settings", "Show advanced settings" and "Clear browsing data", and then selecting "Delete cookies and other site and plug-in data" before clicking "Clear browsing data".

Obviously, doing this may have a negative impact on the usability of many websites.
